NEW CHILDREN'S AUDIO BOOKS ON MP3 CD

INTRODUCING OAKHILL AUDIO BOOKS IN MP3 CD FORMAT

Since October 2014 Oakhill has been offering both Adult and Children's Audio Books as MP3 CDs as well as in the traditional CD format. This increasingly popular way of enjoying audio books means customers don't have to contend with as many discs meaning they are easier to identify. And there's the added benefit

to librarians that they take up less precious shelf space.

In the future all of our Audio Books will be available in both formats – unfortunately it is not possible for us to offer all backlist titles as MP3 CDs – and prices are the same as for the CD versions.
